

June 2024 Newsletter

Greetings all you fabulous golfers!! Our 2024 season seems to be in full swing (or perhaps a slow and controlled smooth swing) with several tournaments completed, enough weekly competitions done to qualify for the club championship, a course that is in great shape and with the Cha, Cha, Cha hairdos being real head turners.

MEMBERSHIP

We continue to grow and Diane Lasko continues to do an excellent job enfolding our new members into our WSWGC club. We are 125 members strong at last count which means our bank account is in good shape too.

MIDDLE OF THE SEASON

Hopefully you have been receiving invites to sign up for tee times (sign-ups typically open a couple of weeks in advance).. If you have any issues or questions about sign-ups, please contact Jane Sogge her email is jmsogge@gmail.com.

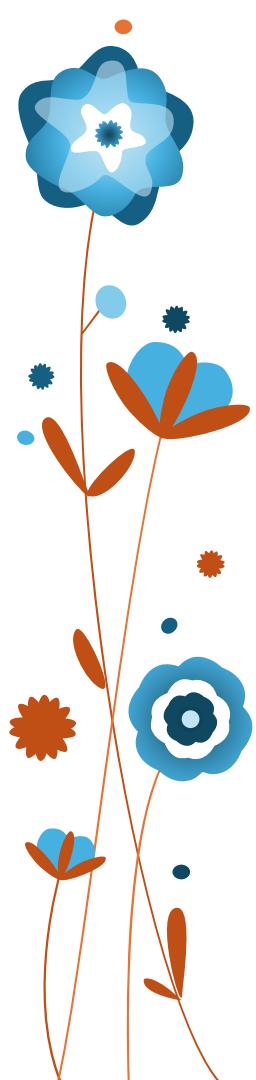

We have had several tournaments with an amazing array of formats. Our tournament directors are very creative, have provided excellent instructions and the organization of each one has been spot on. There are still more tournaments to come so be on the lookout for a couple in July and more in August too. Please thank these women when you get the chance, it is not easy to put together a well-run tournament!

We have much to be grateful for.

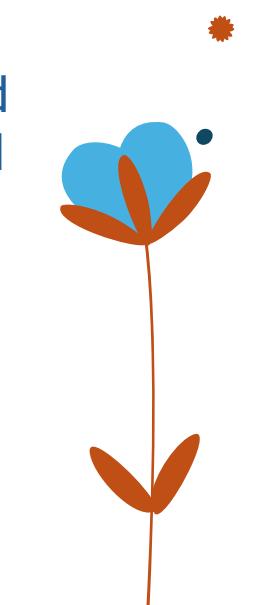

Ruthie Winters made us a new poster for the locker room with an important announcement for us.

PLEASE POST YOUR GHIN SCORES, PROMPTLY!!

The board of directors is working on some communication and messaging regarding the posting of scores....and now a word from our handicap chair, the knowledgeable Yolanda C. who passed the handicap quiz for the benefit of the club so that we maintain our excellent standing!

As your new Handicap Chair, I want to remind club members the importance of posting your scores! I am seeing a growing number of people not posting scores on competition days. Posting protects the field by promoting fair play and the means for event organizers to coordinate groupings. Please post your Tuesday and/or Saturday score the day you play (no later than midnight) and let me know if you missed it so I can post for you.

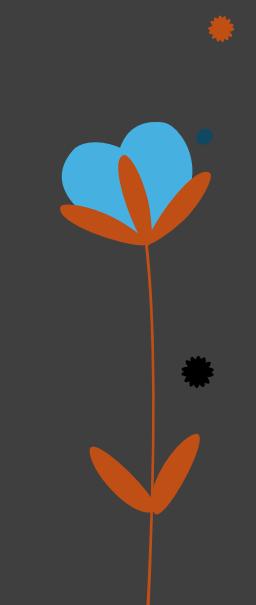

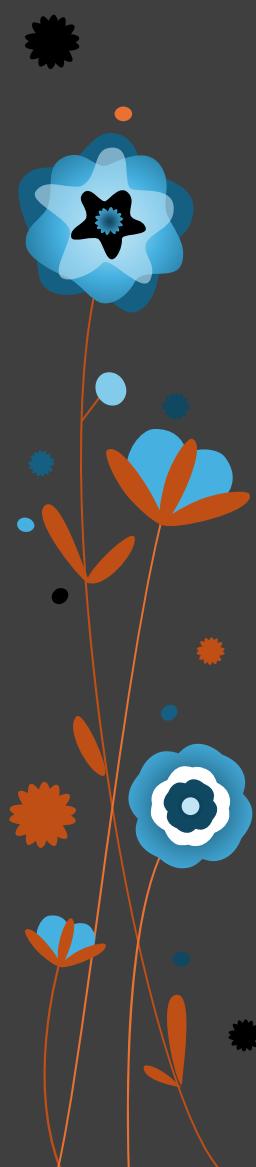

Handicaps are meant to support your game, not punish you. No one likes to post a bad round but know that everyone has them! Even if you pick up your ball, take the X on your card and then post hole by hole on the app so it applies the double net bogey score to that hole. Again, I can help you with this if needed. Your help in posting keeps the club handicaps working as intended. Thank you! (From Yolanda)

There have now been enough WSWGC events for people to qualify for the club championship. There are still enough events left, to allow you to qualify (you need 5) in June and July in case you haven't done so already.

IF you don't get in enough events to qualify, YOU CAN STILL PLAY both days (Monday and Tuesday) and enjoy the excitement of watching our top golfers swing it out for the glory, the big \$\$'s and of course the trophy.

If you have any questions see a board member.

Our WSWGC team continues to play and represent against various local golf clubs. See Nicole Stone for details and the upcoming schedule is on the next couple of pages.

WSWGC 2024 SCHEDULE OF EVENTS

The schedule for tee times, tournaments (Tuesday and the new **Saturday** tournaments) and other important dates have been on the website westseattlewomensgolfclub.com and posted in the women's locker room. SAVE THE DATES! Our next **Tuesday** tournament is July 9th and the format is " Five Club Best Ball" . I look forward to figuring out how to play yet another new and creative format.

Our next 2024 **Saturday** tournament is July 20, 2024 with a format of "Ecci Best 9 Holes"

Keep filling in your ecci sheets, your chip ins and birdies.

Also, please Please **PLEASE** if you sign up for a tee time and cannot make it, let the pro shop know **ASAP** so that another WSWGC member can use it. It has also been pointed out that it would be nice to notify the people in your group that you cannot make it so they do not wait for you nor spend a bunch of time looking for you. Diane Lasko sent out a lovely list of everybody's contact information via email.

It is time to start thinking about when our end of the year banquet will occur. There will be a choice of 3 to 5 dates posted in the locker room. Please indicate which date(s) work(s) best for you and then we will vote on the top two most popular choices via email.
